About us

Revolutionising e-commerce

Mission was started by a group of young engineers and software developers.

Our goals are to revolutionise e-commerce through Big Data + A.I., and reward users for contributing their data.

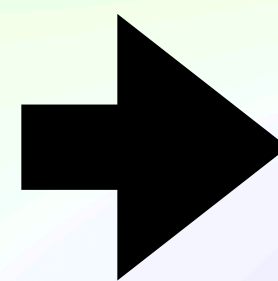

Headquartered in KL, Malaysia - our diverse team includes ex-Google and Meta engineers, Ph.D. holders, and two cats.

Feed our data powered A.I. engine

Serving better e-commerce recommendations

Referral bonus

Reach RM 58k income in 14 days

If everyone invites 1 new member per day

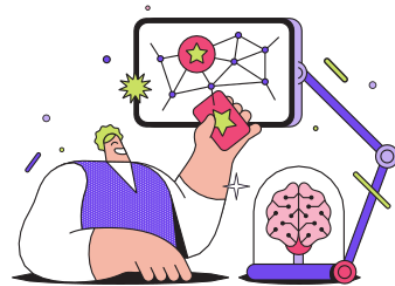

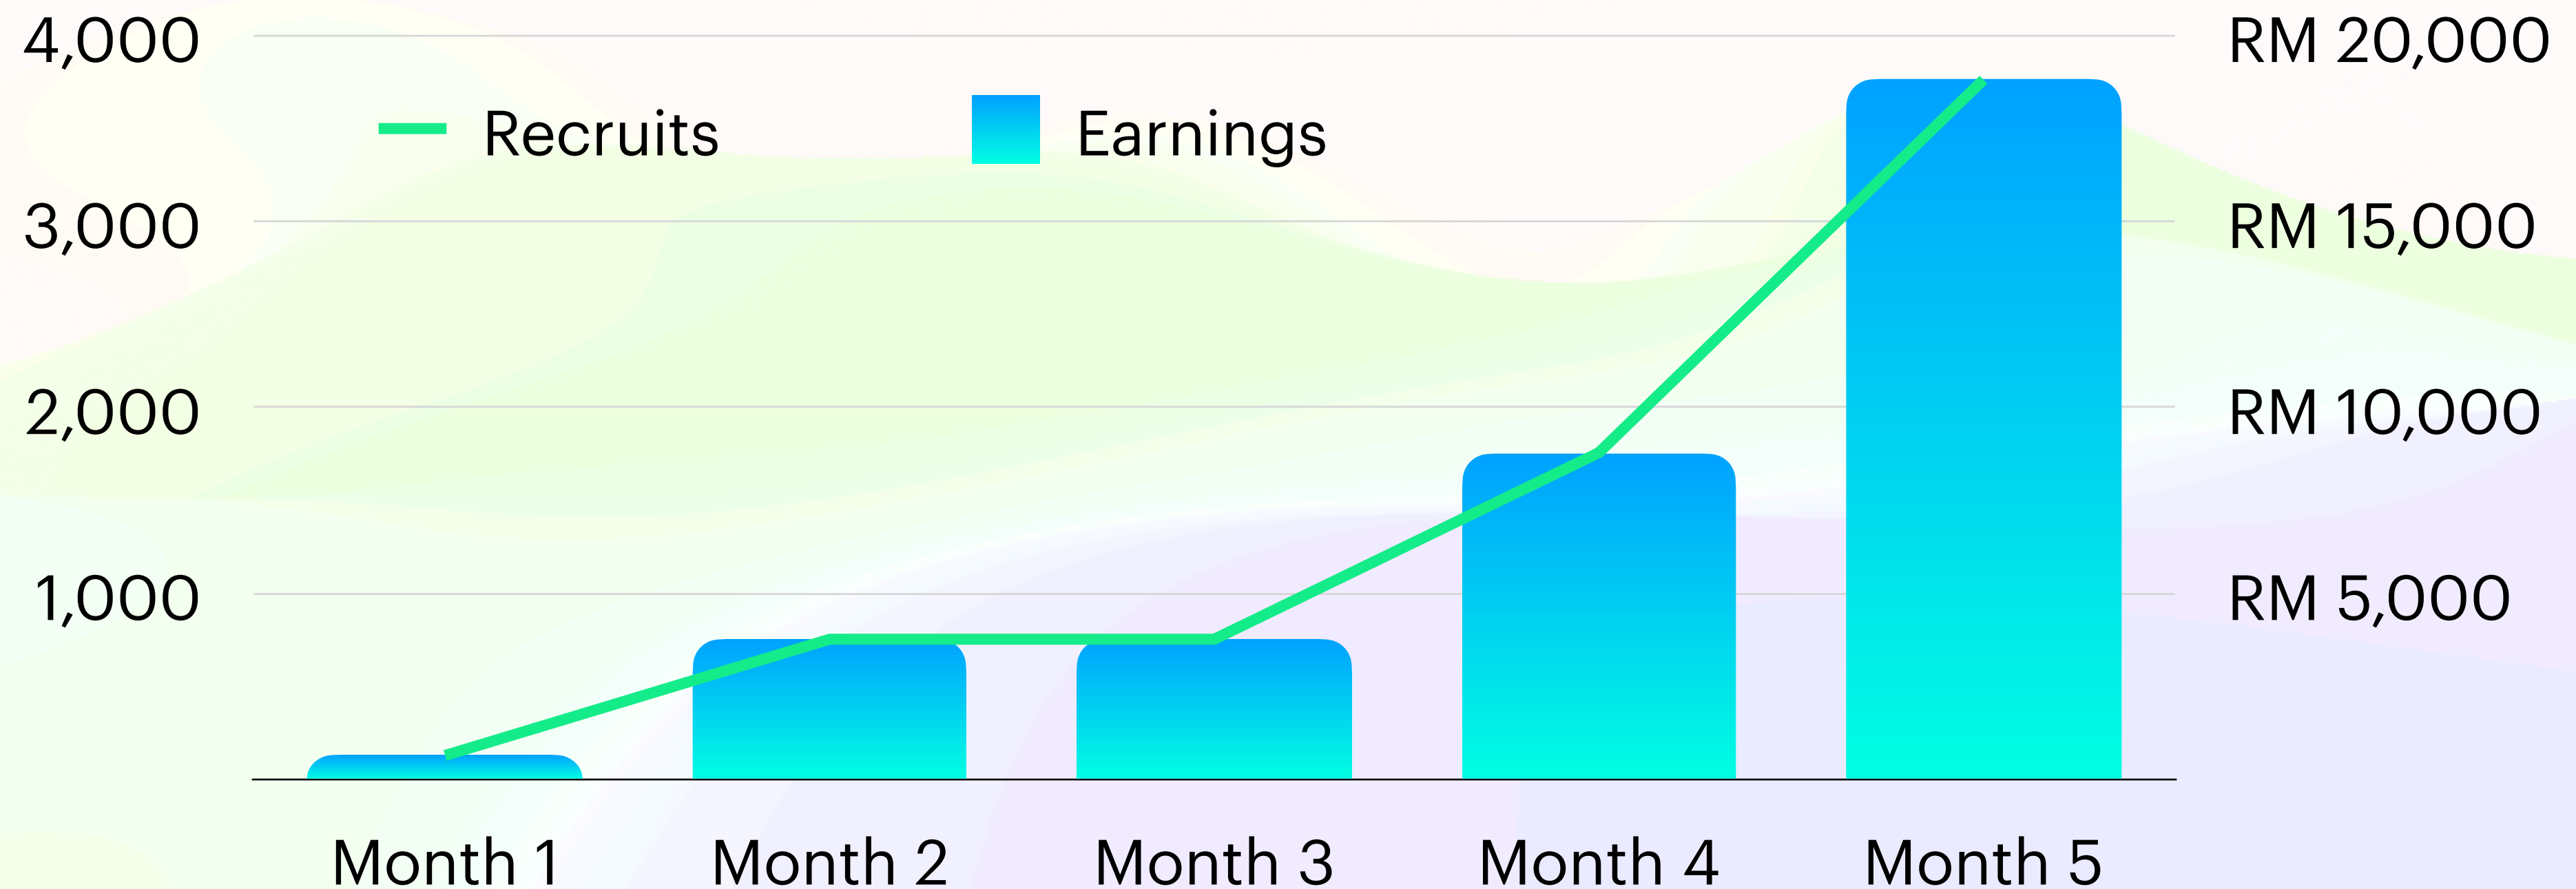

You and everyone in your network invites **1 per day**.
Experience exponential growth earnings.

Truly passive income

Earn continuous monthly rewards at your own pace

No need to refer new members to get paid if you have an existing network.

All **active accounts** are eligible to get paid continuously every month.

What is an active account?

Active account = you have paid your membership fee

RM 60 per month

Membership fee

Paid directly to network

Only RM 2 per day to unlock all earnings.

That's less than 1 coffee a week!

Payout requirements

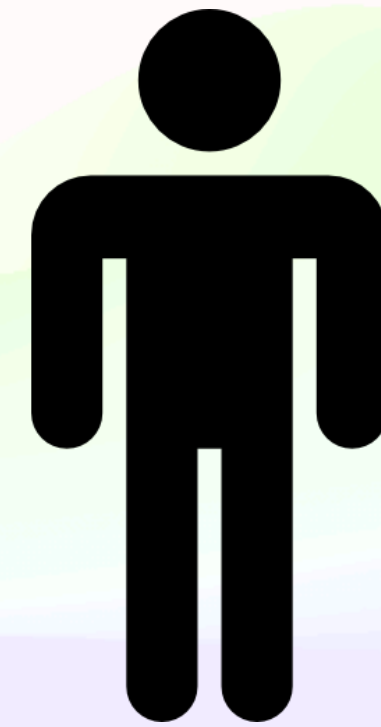

Meet these requirements to pay out your wallet balance

An active account

Payout thresholds are in multiples of RM 60

+

**Minimum 1 active
member in your
network**

Automatic, transparent payouts

You're paid through a fully decentralized P2P network

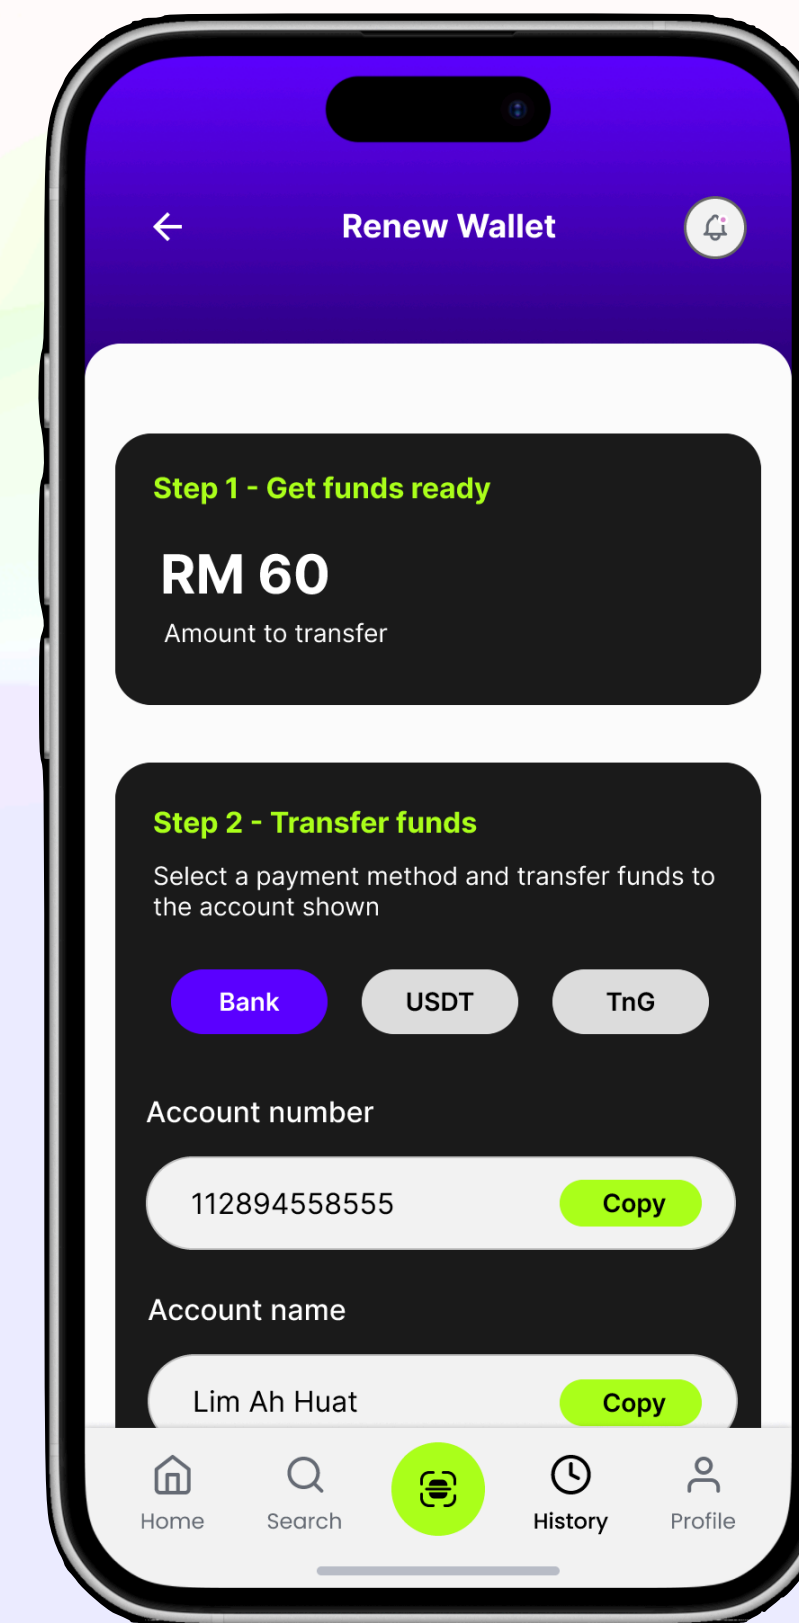

Mission Club members will be matched automatically with an eligible network participant daily, recurring monthly.

Pay the RM 60 membership fee to another network participant to activate your wallet.

Other members pay you RM 60 each to activate their wallets.

The platform does not earn from these fees.

Network earns 100% of membership fees

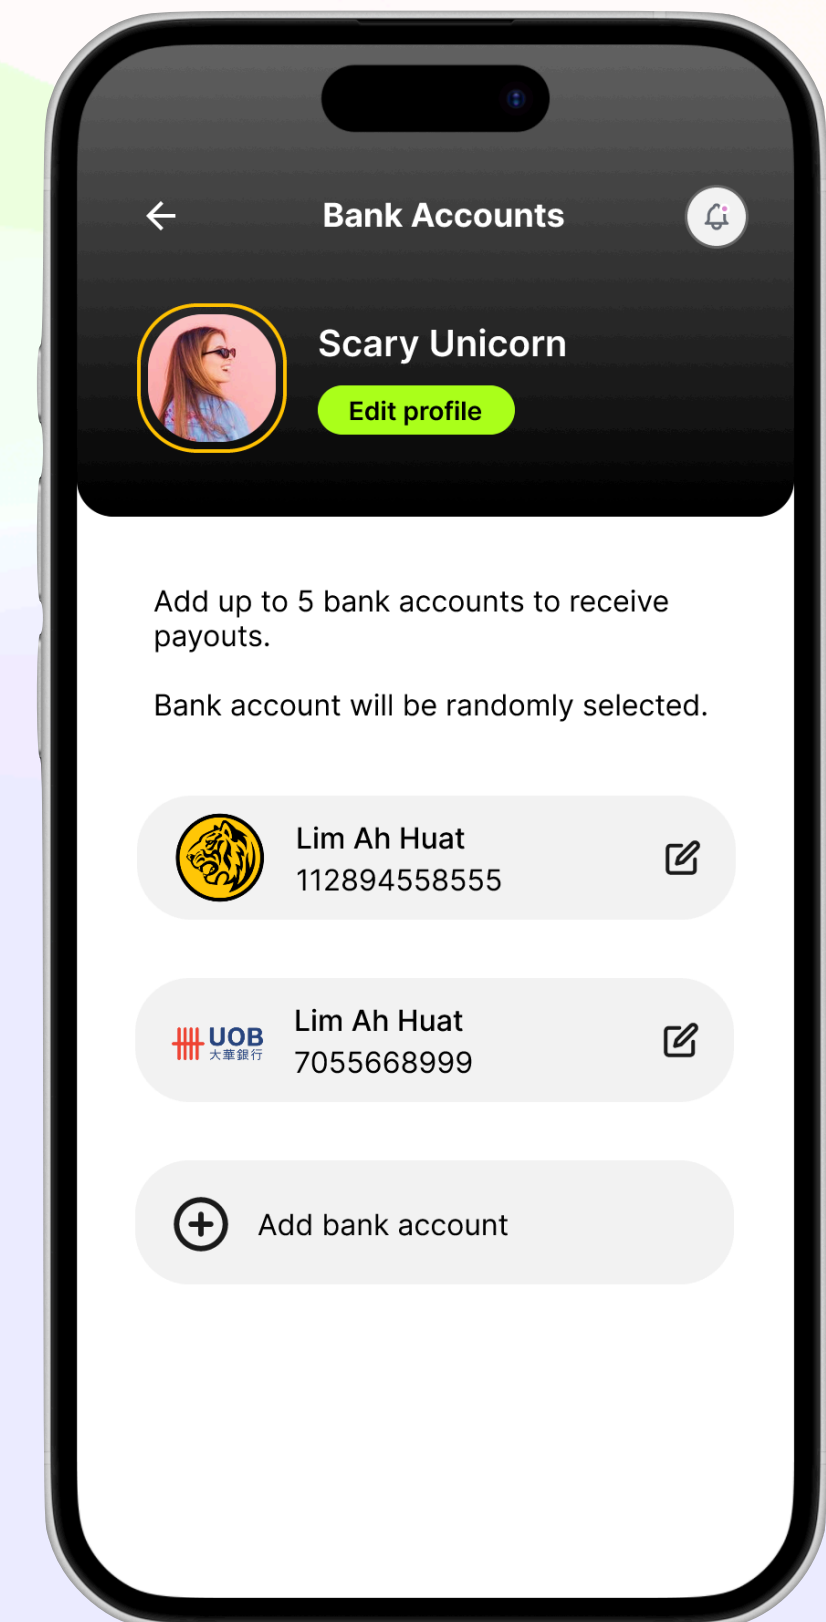

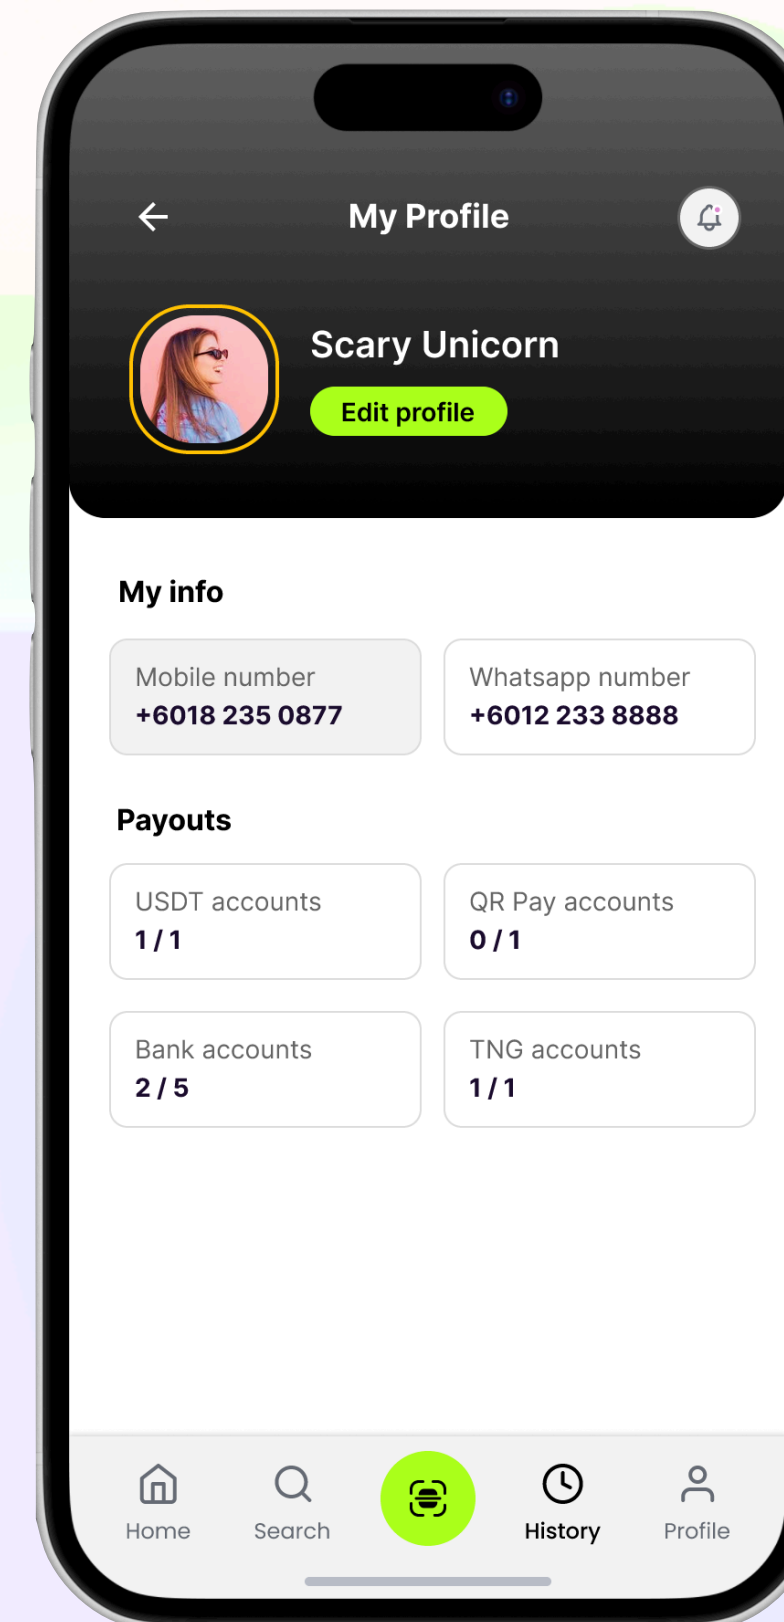

Flexible payout methods

Get paid via bank transfer, USDT, QR Pay, or e-wallet

Add multiple payment methods to receive your P2P payouts.

All you need to do is to verify that the funds have been transferred and approve wallet activation.

Supplementary payments

You also get rewarded with a share of platform income

Affiliate fees

We share a % of the commission from e-commerce platforms for recommended products sold

Data sales

We share a % of revenue earned from sales of e-commerce data and usage of our A.I. model

Advertising

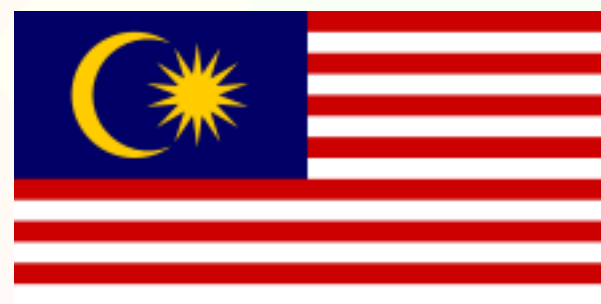

We share income from sponsorships and product advertising on the platform

Supplementary payments will be made at Mission's discretion and are used to incentivize network stability and growth.

F.A.Q.

How do I cash out?

The platform will match you with another member to activate their wallet.

Get paid via e-wallet, bank transfer, or USDT.

Activate their wallet through the platform once you receive the funds.

When can I cash out?

You get paid once you reach the pay-out threshold and have an active account.

Pay-out threshold is in multiples of RM 60.

Referral and active rewards both count toward reaching the threshold.

How much can I earn?

Active rewards - capped at RM 90 / month.

Referral bonus - RM 5 per person / month in your network, up to 5 levels.
